

Endless Summer® BloomStruck™ Bigleaf Hydrangea

Hydrangea macrophylla 'PIIHM-II' PPAF

Description

Bloomstruck, the newest addition to the Endless Summer Collection, lives up to the promise of Endless Blooms, and then some. This reblooming mophead flowers on old and new wood and has perfectly rounded flowers averaging 3.5 - 5" across. The intense rose-pink, violet or blue flower heads are held upright on striking red-purple stems. Flowers are violet-blue to blue in acidic soil. Glossy dark green leaves with red petioles and red veins add to this plant's retail presence and make it stand out before flowers ever open.
