

'Smoke Signal'

LITTLE BLUESTEM

Schizachyrium s. 'Smoke Signal' PPAF

This beautifully refined selection of our native bluestem offers more impressive fall color, taking on scarlet red tones in late summer and turning deeper red-purple in fall. It maintains its perfectly upright habit all season without flopping.

EXPOSURE: Full Sun

BLOOMS: Early Fall

HEIGHT: 3-4 ft

SPACE: 1½-2 ft

ZONE: 3-9
