

# Invincibelle Limetta™ Hydrangea

*Hydrangea arborescens* 'NCHA8' PPAF

## Description

---

This revolutionary new variety offers a dwarf habit with lush green flowers and very strong stems. Blooms start out a rich jade green, soften to green-white, then age to green again. This strong rebloomer keeps fresh flowers coming through frost, too. This versatile, reliable native plant will appeal to landscape designers and homeowners alike.
