

## First Editions® Strawberry Sundae™ Hydrangea

*Hydrangea paniculata* 'Rensun' PPAF

### Description

---

Strawberry Sundae™ is a delicious new compact hydrangea from the French breeder of Vanilla Strawberry™ Jean Renault. Similar in many ways to Vanilla Strawberry with one important exception, its smaller stature. Flowers emerge creamy white in mid summer, change to pink and finally to strawberry red. The flowers will remind you of a refreshing strawberry sundae ice cream treat on a hot summer afternoon. With its compact habit this hydrangea can add color to a small space garden or container and the fantastic flower color lasts well into fall. Excellent for fresh cut and dried flower arrangements.
